RE: Municipal Elections – Information Booklet for Trustee Candidates

With preparations underway for the Municipal Elections scheduled for October 25, 2010, the Ontario Education Services Corporation (OESC) with support from the Ministry of Education has developed an information guide for trustee candidates and communities – *Making a Difference for Kids: Running for Election as a School Board Trustee*. This was created in collaboration with:

Association des conseils scolaires des écoles publiques de l'Ontario (ACÉPO)
Association franco-ontarienne des conseils scolaires catholiques (AFOCSC)
Ontario Catholic School Trustees' Association (OCSTA)
Ontario Public School Boards' Association (OPSBA)

We have provided in this mailing a supply of these booklets to assist in responding to requests for information from the public and particularly from potential candidates for the office of school board trustee. Each local school board has also been provided with a supply of booklets.

An electronic version of the booklet will be sent to you by e-mail so that you have the option of posting it on your website. The booklet will also be available on the websites of the four school board associations as well as the Association of Municipal Clerks and Treasurers of Ontario. These are:

We hope you will find this resource useful. If there are questions, please contact scook@opsba.org.
