

AMCTO 2021 Membership Dues

In 2015, the AMCTO Board of Directors adopted a new approach toward the pricing of membership dues for Full and Associate members. The new approach is based on the percentage change of the average monthly Consumer Price Index (All Items) – Ontario for the twelve month period ending in June of the preceding year.

The Association is sharing this information with you now to assist you in your 2021 budget planning. Applying this new approach, the membership fees for 2021 will be as follows:

Category	2020 Fee	2021 Fee with 0% change	HST	Total 2021 Fee
Full	\$405.00	\$405.00	\$52.65	\$457.65
