

requires a Temporary Full-Time

**Financial Analyst**  
**\$62,407 - \$70,199 / annum (January 2019)**

Haldimand County is a single tier municipality with a population of 45,000. Its diverse urban and rural communities offer an outstanding quality of life, affordable housing, access to downtown Toronto in 1.5 hrs or NOTL or Buffalo within 1hr. Situated along 55km of Lake Erie shoreline and the renowned Grand River, Haldimand County also provides a picturesque setting for many outdoor recreational pursuits.

**Position Function:**

- provide, develop, and monitor effective, efficient and timely financial reports / information for use by Management, Staff and Council.
- for accounting purposes, assist in the preparation of journal entries, account analysis, reconciliation and working papers.

**Required:**

- Community College Diploma / Degree relative to area of responsibility (Accounting, Business Administration)
- A Municipal Accounting Certificate is desirable
- Plus less than 5 years current related experience (may include additional speciality training)

Or equivalent to that combination

**Knowledge and Skills required:**

- Good understanding of municipal government, its operations and services, specifically finance principles and practices.
- Knowledge of relevant Acts and Legislation governing the financial operations of municipal government.
- Sound technical knowledge relative to accountabilities.
- Demonstrated project management and organizational skills.
