

Understanding Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)

This workshop will cover the application of the *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA) using real-world examples in an interactive and engaging session. Learn about key MFIPPA topics such as Processing Freedom of Information (FOI) requests, legislative exemptions and exclusions, developing a Freedom of Information/Privacy program in your municipality, and gain a stronger understanding of privacy obligations.

Learning Objectives

- Understand the legislative requirements of MFIPPA
- Know how to process MFIPPA requests (including exemptions, exclusions, and third-party consultations)
- Understand how to operationalize privacy obligations
- Know how to develop policies and strategies for Freedom of Information

This Training is Ideal for:

- Chief Administrative Officers (CAOs)
- Clerks and deputy clerks
- Professionals responsible for administering MFIPPA
