Election Portal onboarding

- Onboarding for Zone 3 took place in **September** – if you were unable to book your session, email voterslist@elections.on.ca
- Do you have feedback? Share it with us!

The screenshot displays the Election Portal interface. On the left is a dark sidebar with the 'ELECTION PORTAL' logo and a dropdown menu for 'Town of Milton'. Below this are links for Home, Electors, Geography, Products, Requests, Message Centre, Organization, and Legal. The main content area is titled 'Home' and features a yellow banner with the 'Elections Ontario' logo. Below the banner are two announcement cards: one dated August 28, 2023, about requesting an ad hoc PLE, and another dated August 21, 2023, about new features released today. The right sidebar shows the selected organization as 'County of Prince Edward' and lists the areas it has access to: '1350 - Prince Edward'. The top right corner includes a language selector for 'Français' and a user profile icon.

Elections Ontario

August 28, 2023 (17 days ago)

You are now able to request an ad hoc PLE

The ability to request and download an ad hoc PLE is now available!

You will find training documentation on this new function in the Documents - Training folders in the Products feature.

Please note that MPAC continues to be responsible for providing municipalities with their PLEs for any by-elections held in 2023. Elections Ontario will take over this responsibility on January 1st, 2024.

August 21, 2023 (24 days ago)

New Features Released today

You will notice that we have made some changes as of today, August 21st. These include:

- The ability to target, download, and upload files for making Ward/Poll changes.
- The ability to submit change requests for property, addresses, mailing addresses and electors.
- Enhancements to the Geography feature for better Ward/Poll visibility.
- Enhancements to the Geography feature to show elector counts at various levels.
