

2024-2026 - AMCTO Zone 3 Executive

Nomination Form

Call for Nominations

Elections for the various executive positions will be taking place at the Zone 3 Spring Meeting to be held virtually on Friday, April 12th. This is your opportunity to get involved in your association and really make the most of your AMCTO membership.

The executive reaches out to members for input and plans the Spring and Fall meetings as well as training workshops throughout the year to meet the needs of the members. The time commitment is minimal and the work comes with the support and encouragement of fellow executive members, as well as the friendships that develop along the way.

Are you currently working on or considering pursuing one of AMCTO's Professional Accreditation Programs? The executive positions can help you achieve that goal. You will gain experience in many areas required for these accreditations. Each role on the executive brings not only valuable professional experience but the confidence to move forward with other professional and personal goals.

Zone 3 is seeking nominations for the below executive positions.
