

REMINDER!!
Call for Nominations
2023-2024 AMCTO Zone 2 Executive
DEADLINE HAS BEEN EXTENDED

Are you working on your CMO application or recertification? The executive positions can help you achieve that goal. You will gain experience in many areas required for your CMO accreditation. Each role on the executive brings not only valuable professional experience but also the confidence to move forward with other professional and personal goals.

This is your opportunity to get involved in your association and really make the most of your AMCTO membership. The executive reaches out to members for input and plans the Spring and Fall meetings as well as training workshops throughout the year to meet the needs of the members. The time commitment is minimal and the work comes with the support and encouragement of fellow executive members, as well as the friendships that develop along the way.

If you are interested in achieving professional goals, such as CMO accreditation, collaboration and connecting with colleagues, it's time to get involved!

We are seeking nominations for the following executive position:

- Zone Chair
- 2nd Vice Chair
